PROFILE

I'm a passionate and results-oriented front-end developer with a proven track record of enhancing user experience and optimizing web performance for small businesses. My diverse skill set spans multiple development disciplines, with particular expertise in responsive design and performance optimization.

WORK EXPERIENCE

Standup Startup Private Limited   **Mar 2024 - Present**
Front-End Developer

- Developed user-friendly, high-performance web interfaces optimized for all devices and browsers, with a strong focus on accessibility and speed.
- Work closely with product managers to understand user requirements and translate them into functional front-end features.

Fineoutput Technology Jaipur   **Sept 2023 - Mar 2024**
Front-End Developer

- Develop responsive web applications that provide seamless experiences across different devices and platforms.
- Create style guides and component libraries to ensure consistency across all web applications.
